D#7 **G#m7**
 With a smile upon my face
C#7 **F#**
 "..but, I take it with me everywhere,
F#m **B**
 Just in "case".

CHORUS

E **F#m**
 With my ukulele on my heart, I play
 B **E**
 With my ukulele on my heart, I say

A **B**
 1 Strum me, hum me,
E **C#m**
 Make a little melody
A **B**
 Hold me, enfold me,
E **E7**
 when you play me , play me honestly

2 Play me gentle, sing a long
 Four heart strings are not so long
 Let it ring. It's just a little thing,
F#m **B**
 but a ukulele can't be long

CHORUS

BRIDGE
D#7 **G#m**
 When you're gone, I fret.
 C#7 **F#**
 I'm searching for accord
 D#7 **G#m**
 A harmony I'll not forget,
C#7 **F#**
 So lean towards this sounding board
F#m **B**
 This hole where all the songs are stored

3 This song is soft, this song is strong,
 and sentimental too
 The ukulele could be... instrumental to you
INSTRUMENTAL (Chorus Pattern)

 to soothe you and to calm
 This song's for how I long for

With my ukulele on my heart, I play
 B6 **E**
 With my ukulele on my heart, I'll stay
